**WEAK, NERVOUS,
ALL RUN-DOWN**
Missouri Lady Suffered Until She Tried Cardui.—Says "Result Was Surprising."—Got Along Fine, Became Normal and Healthy.
Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. D. V. Williams, wife of a well-known farmer on Route 6, this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me. I saw after taking some Cardui that I was improving. The result was surprising. I felt like a different person."
"Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night. I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me. My doctor said I got along fine. I was in good healthy condition. I cannot say too much for it."
Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments. For sale everywhere.
